

SERMON HELPS

FOR KIDS

March 29, 2020

Here are some ways you can help supplement Pastor Bill's sermon this Sunday on the **Keeping Our True Mission in Focus** to help your kids. Feel to tailor them to your family.

SUNDAY MORNING GAME PLAN

Video: Zacchaeus Video

Start with this video so your kids have a context for the sermon.

Video: Worship Song - My God is so Big

Preschool Version: <https://www.youtube.com/watch?v=01mas6L-pBY>

Elementary Version: <https://www.youtube.com/watch?v=YUageJdwyPY>

This is a popular song that both the Preschool and Elementary know and helps illustrate the power of God. There are two different versions so pick the one you want...or do both.

Watch the Live Steam of Pastor Bill's Message

Via Facebook or from the Church Website at www.woodburnmc.org

Yes...they may get fidgety and they may get distracted...but watch it as a family. Your kids will see that learning God's Word is important to you. Besides, you can rewatch it later if you miss anything.

Talk About it

This week's questions are for the kids to ask Mom and Dad. Share your story with you kids.

1. Ask your parents how their life has changed since they meant Jesus?
2. Who do we know that doesn't know Jesus and how can we help them get to know Jesus?

Going Deeper

Here is a discussion question to talk about with your older kids.

1. Zacchaeus didn't use his shortness as an excuse to quit looking for Jesus. What obstacles do we have to overcome to see Jesus? Are any of these obstacles great enough to separate us from Jesus?

Please know that we continue to pray for you and your family during this time that we can't be together. Please let us know if there are any prayer requests. God Bless you and yours!
